Newark Esgles Baseball Club Attention: Mrs. Effa Manley 71 Crawford Street Newark, New Jersey

Dear Mrs. Manley:

BOSTON, MASS

Since receiving your letter of July 22 regarding the shipments of baseballs, we have been checking this with the Pennsylvania Railroad. They do not seem to be able to locate the Way-bill covering this shipment, and have, therefore, requested us to file claim for the alleged shortage.

Will you kindly return the Bill of Lading which was enclosed with our letter of July 9, so that we may in turn enter this claim in the regular manner.

Yours for Victory,

HORACE PARTRIDGE
